In addition to the Paddle Power group, our club is also very active biking, camping, hiking, cross-country skiing, downhill skiing and snowshoeing, and hosts organized walks, picnics, clam-bakes, social events and parties, happy hours, and dinners at local restaurants. You'll find information on these elsewhere on our site. Want to join the club? A membership form can be downloaded from the web site.

Who we are, what we do

Who we are:

We are a group of adult kayakers and canoeists of all skill levels, interested in sharing the fun and excitement of paddling with a group.

What we do:

We host local paddling outings each summer. We schedule both weekend and weeknight outings at local lakes, bays, and rivers, such as Irondequoit Bay and Creek, Braddocks Bay, Canadice and Hemlock Lakes and Lake Ontario. These are typically 1.5-2.5 hours of paddling and draw participants of all skill levels. Our members also organize impromptu paddles based on the weather, which are communicated to club members. In addition, some paddles are hosted at homes and cottages or held at local outfitters where you can rent a boat.

Join Us!

We are looking for new folks to join us paddling! We welcome all skill levels, so please come out and join us this season. You'll meet terrific new people and stay in great shape for the coming year. You don't have to be a member to join us for an outing — try us out!

Wouldn't you rather be outside enjoying nature and exploring new sights than inside at the gym? In addition to the camaraderie you'll enjoy great exercise and scenery. Once you have the boat and gear, it doesn't cost anything to paddle.

What if I've never done it before?
A great way to start is to take a

lesson or try it out at a local kayak or canoe outfitter. If you have a kayak or canoe, come to one of our outings and join the group. We have a sign in sheet so we ensure everybody who started has returned.
