

You can find us at:

<http://huggersskiclub.org/pedalpower/>

In addition to the “Pedal Power” group within our club, our club is also very active kayaking and canoeing, camping, hiking, downhill skiing, snowshoeing, cross-country skiing, and hosts organized walks, picnics, clambakes, social events and parties, happy hours, and dinners at local restaurants. You’ll find information on these elsewhere on our site. Want to join the club? A membership form can be downloaded from our web site.

someone to bike
with?**

Who we are, what we do

Who we are:

We are a group of adult cyclists of all skill levels, interested in sharing the fun and excitement.

What we do:

We host local rides and out-of-town bicycling outings each year. We have an extensive schedule of local rides from April-October. Most rides are 1.5 - 3 hours depending on how far and how long you choose to ride. Rides may range from 10 flat miles to 100 hilly miles, so there's something for all ability levels. A typical ride might have 3 routes of different lengths, so you have a choice of how far you want to ride. After the ride, we socialize with snacks and beverages so you get to know everybody, not just the people you rode with. Some rides also feature an optional potluck dinner after

wards, and some are hosted at homes or cottages.

Our members also organize impromptu rides based on weather conditions (including before and after our typical season), which are communicated to club members by email.

Each year we host several reasonably priced out-of-town cycling weekends to locations within New York State, Pennsylvania and Canada.

Join Us!

We are looking for new folks to bike with! We welcome all skill levels, so please come on out and join us this season. You'll meet terrific new people and stay in great shape. You don't have to be a member to join us for an outing — try us out! Wouldn't you rather be outside enjoying nature and seeing new sights than inside at the gym? In addition to the camaraderie and beauty of an outdoor bike ride, you'll enjoy great exercise. Once you have a bike and a helmet, it's an inexpensive sport. Area rides are

held throughout Monroe County, surrounding counties, and the Finger Lakes. So in addition to having a variety of ride lengths, there are locations convenient for everyone.

What if I've never done it before?

Some of our rides are flat and perfect for beginners and others are hilly and challenging. Our schedule will help you decide what's a good fit for your ability, or you're welcome to call for advice. At each ride, we naturally split into small groups based on ability, and as you improve you'll have even more people to ride with. We have a sign-in sheet to ensure that everybody who started has returned.
